

## THE FOUNDLING MUSEUM

Set in the heart of leafy Bloomsbury and overlooking glorious Brunswick Square, the Foundling Museum can be exclusively yours for the most special day of your life. Take your vows in one of our stunning rooms, then relax and enjoy champagne in our historic interiors. From an intimate civil ceremony to a glamorous reception, the Museum offers tranquillity and splendour away from the hustle and bustle of the city.

Our venue is a stylish choice for a London wedding or civil partnership, with its beautiful eighteenth-century interiors displaying works of art by some of Britain's most celebrated artists. Ideal for either small or large weddings, our rooms, both elegant and romantic, provide the perfect setting for your special day. Take your vows upstairs then descend the grand, sweeping staircase as a newly-wed couple.

The Foundling Museum tells the story of the Foundling Hospital, the UK's first children's charity and first public art gallery. Say 'I do' on the site of this important historic institution.

## THE COURT ROOM

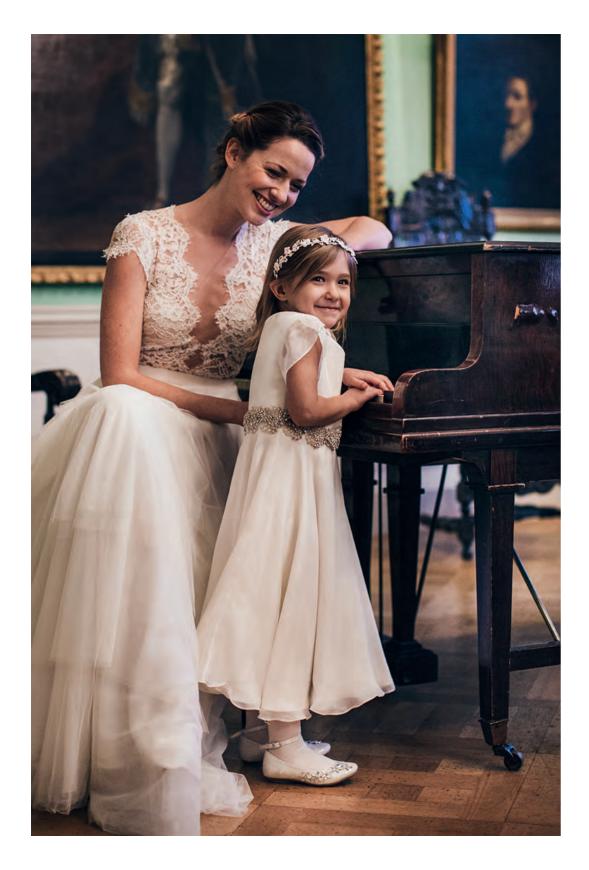

The Court Room is the ideal space for an intimate ceremony or wedding breakfast, with sumptuous olive-green walls, Persian carpet and striking hand-moulded ceiling. Perfect for smaller celebrations, the Court Room boasts one of the finest original Rococo interiors in London. It was here that the Foundling Hospital Governors conducted their committee business and entertained important guests. You too can experience the splendour of this room whilst sipping champagne alongside works of art by Hogarth, Gainsborough and others.

Thank you so much for all your help with our wedding. I loved every minute and was so happy that we had found such a beautiful venue. The Museum staff were so kind and pleasant to work with, the entire experience was a joy.

#### MADELEINE MORLET

Thank you for helping to make our wedding so memorable. It was everything we'd hoped for, and more, and we are totally indebted to the Foundling Museum for helping to make everyone feel so welcome and for making the evening go so smoothly. We had loads of positive comments from our guests about the venue and the organisation, which is entirely down to your team.

### ANDY PATTERSON

We were married at the Foundling Museum and we could not have been more delighted with every aspect of the day. The setting is simply beautiful – and with flowers the romance of the Picture Gallery and the Court Room comes fully alive. We would unreservedly recommend the venue to anyone and were particularly pleased that our wedding could contribute to the charitable work of the Museum.

### EAMON McCrory

When we started to look for the perfect venue for our wedding, we had a clear picture in our minds of what we wanted: somewhere intimate and classically romantic, whilst at the same time interesting and unique. The Foundling Museum offered us all of these qualities. From the moment we stepped inside the Court Room on our first tour around the venue, we knew that we wanted to become husband and wife in that room.
